Dear Ms Goswami,

I am pleased to inform you that your application to King's College London has been successful and we would like to make you a conditional offer for the below programme:

LLM (Master of Laws) (Full-time)

Start Date: **23 September 2024**
Programme Length: **1 year**
Mode of Attendance: **full-time**

Please read any and all additional documentation or webpage links on 'Your Offer' screen of King's Apply alongside this offer letter.

Offer Condition(s)

This offer is conditional on your meeting the following requirement(s) and by the deadline specified below:

By the deadline stated below, provide official evidence of obtaining an acceptable English language qualification from Band B: www.kcl.ac.uk/pg-elr.

You must provide evidence of meeting the condition(s) of your offer by **26 August 2024 at the latest**.

How to Evidence Meeting Your Offer Condition(s)

Please send us a message using the "Meeting Conditions of Offer/Confirmation" message category on King's Apply with scans of your official documentation as attachments **as soon as you have received them**:

- | You will need to provide official translations if your documents are not originally in English.
- | If your official degree certificate and/or final transcript is a digital document however, we will need to verify these directly with your institution afterwards. We are aware that institutions will use different methods to do this, such as via their specific online verification system or via email (usually via an Awards/Student Registry or Records/Transcripts Office).
- | If your offer requires completion of a degree that will not be awarded before the above deadline, make us aware of this as soon as possible by sending us a message on King's Apply.
- | If you have an English language condition above, you can complete the King's College London's pre-sessional programme (subject to eligibility and entry requirements): <https://www.kcl.ac.uk/pre-sessional> or take an accepted English language test listed on the above English language requirements webpage.

Failure to supply evidence of meeting any conditions by the above deadline may lead to your offer to King's being withdrawn and you will not be able to join the programme.

Enrolment and Induction

Induction and enrolment usually take place up to two weeks before the start of your programme. This may include teaching

for the programme.

Fee Status and Tuition Fees

Based on the UK Government regulations and the information you provided, you have been classified as an **Overseas** fee payer. Information about fee status classification can be found here: <https://www.kcl.ac.uk/study/postgraduate-taught/how-to-apply/policies-and-guidance>.

This programme's tuition fees for the 2024/25 academic year are **£33450**.

Our assessment of your fee status is provisional and is subject to verification of your documents at enrolment. Please be aware that if our initial assessment of your fee status based on the information provided in your application was inaccurate, we reserve the right to reassess your fee status at enrolment.

If you are studying your course outside of the UK and the provision of your course by King's is subject to Sales Tax in your country of residence, then we reserve the right to pass on any Sales Tax to You. In the event there is a change in the rate of sales tax, we reserve the right to pass on any such change in sales tax to you. We will notify you if you are liable for sales tax, including the amount of the sales tax due. For more information, please visit our Finance and Planning Directorate's webpage on Goods and Services Tax: <https://www.kcl.ac.uk/student-fees/tuition/goods-and-sales-tax>.

If you believe your fee status is incorrect or want more information about tuition fee payment

If you believe that your classification for fee purposes is incorrect, please contact us without delay by sending a message on the King's Apply with the full details of your circumstances; do not wait until accepting your offer. Please refer to UKCISA's guidance (<https://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-HE-fee-status>) for help on understanding the fee status categories for higher education in England.

How you will be invoiced for your tuition fees and how to make payment

Once you have registered on your programme at King's, you will be invoiced for the 2024/25 academic year. Your invoice will show both the full programme fee and the amount outstanding to be paid (reflecting any deposit already paid). Information about the payment of tuition fees, such as the tuition fee payment schedule and recognised payment methods, can be found on Credit Control's Student Fees Hub (<https://www.kcl.ac.uk/student-fees>).

Accept Your Offer

The deadline to accept your offer is 12/04/2024. You will need to do this on King's Apply.

As we receive applications from a large number of highly qualified students, we ask offer holders to pay a deposit when confirming that they wish to accept their offer. This is to ensure that King's can allocate the limited places to students who demonstrate their intention to study at King's.

The deposit amount is: **£2000.00**.

Please note that your deposit will be deducted from your tuition fees upon enrolling. To pay your deposit, click on the 'Pay Now' button on 'Your Offer' screen of King's Apply. Not paying your deposit by the stated acceptance deadline will be taken as an indication that you no longer wish to take up your offer at King's.

If you experience problems making the payment on King's Apply, details about other payment methods can be found on Credit Control's webpage: <https://www.kcl.ac.uk/student-fees/how-to-pay-my-fees> and select the 'Tuition Fee Deposit' option if available. You should contact us on King's Apply using the "Deposit Query" message category after making a payment by another recognised method; please submit supporting evidence that the payment was made by your acceptance deadline.

If you are receiving a full scholarship

If you are actively being considered for a full scholarship or have already obtained a full scholarship to study at King's (your tuition fees will be covered in full by an organisation such as your employer), please read the "Offer Holder Information" webpage link on 'Your Offer' screen of King's Apply for further details on how to accept your offer. If you require details of how official sponsors are invoiced, please see the following Credit Control webpage: <https://www.kcl.ac.uk/student-fees/tuition/sponsored-students>.

What happens to your deposit if you do not enrol at King's

We will only be able to refund a tuition fee deposit in the following circumstances:

1. **Cooling-off period:** Under the regulations governing distance selling contracts, you have **14 days** from the date that King's receives your deposit to change your mind. If, within this 14 day cooling-off period, you notify us of your wish to cancel your acceptance, we will decline your offer on your behalf and organise a refund of your deposit. If you wish to

cancel your acceptance after this 14 day period has passed, please inform us before the start of your programme and before you begin online enrolment. Please send us a message on King's Apply using the "Decision - Withdrawal" message category if you wish to cancel the acceptance of your offer. We will decline your place on your behalf but the deposit will be non-refundable, except as outlined below. Further details on cancellation can be found in the 'After a Decision' section and 'Cancellation Rights' heading here: <https://www.kcl.ac.uk/study/postgraduate-taught/how-to-apply/important-information-for-applying>.

2. **Failure to Obtain a Student Visa:** We always aim to provide eligible students with a CAS number in sufficient time for a visa application to be approved before the enrolment period closes. If you find that you cannot secure a Student Visa, we may be able to refund your deposit depending on the circumstances. We expect all students to make suitable arrangements to ensure they leave enough time between submitting their visa application and commencing their programme. If you request an extension to the deadline to meet your offer conditions and this is granted, this will impact the time that you have to make a visa application. Consequently, refunds will only be granted where students have proactively attempted to obtain their Student Visa and that failure to obtain a Student Visa was through no fault of their own. Please send us a message on King's Apply using the "Decision - Withdrawal" message category if you wish to cancel the acceptance of your offer.
3. **Failure to Meet Offer Conditions:** Please send us a message on King's Apply using the "Meeting Conditions of Offer/Confirmation" message category if you do not meet the conditions of your offer and ensure you provide official evidence as attachments.
 - If you do not meet the academic requirements of your offer **and** we are unable to confirm your place on the programme, we will refund your deposit if this evidence is received by the same deadline for meeting conditions of your offer as specified above in this offer letter.
 - If you do not meet the English language requirements, you must demonstrate that you have proactively attempted to meet them after the point you paid the deposit. We will therefore refund your deposit if you provide evidence that you took an accepted English Language test and not met the requirements **within the three months prior** to the start month of your programme (e.g. from 1 June for a programme starting in September; or from 1 October for a programme starting in January). This must be received by the same deadline for meeting conditions of your offer as specified above in this offer letter.
 - If you fail to provide us with evidence of meeting/not meeting the conditions of your offer, you will not be eligible for a deposit refund.
4. **Programme Withdrawal:** If the programme you were planning to enrol on is withdrawn by King's and you do not transfer to another programme offered to you by King's.

You are strongly advised to make sure that you will have sufficient funds in place to finance your programme at King's before accepting the offer, as deposits will not be refunded on grounds of financial difficulty. Decisions on refunding the deposit where there are exceptional, unforeseen circumstances will be made by the university at its discretion. This may include serious ill-health or bereavement subject to the provision of appropriate evidence.

Deferring Your Application

Please be aware that after careful consideration, we have taken the decision not to allow any deferrals on our postgraduate taught programmes from 2024/25 to future academic years. We have adopted this approach as it is the fairest way to ensure that the cohort of applicants for 2025/26 have an equal opportunity to gain a place at King's. You are therefore strongly advised to only accept an offer if you do not intend to defer at a later date as your deposit is non-refundable. If you are looking to defer, you will need to decline on King's Apply. If you have already accepted your offer and no longer intend to join King's, please send a message to us on King's Apply using the "Deferral Request" message category and advise that you wish to decline your offer and we will do this on your behalf.

Student Visa

If you need a Student Visa to join King's this academic year, where eligible, we will issue you with a Confirmation of Acceptance for Studies (CAS) number so that you may apply for your Student Visa **no earlier than six months before** the start of your programme, and only after your offer is unconditional and this has been accepted. You will be notified to check King's Apply once the CAS is available. Your CAS will be issued with your name as it appears on King's Apply; please make sure this matches your passport and your account contains your current passport's details.

Tell us you need a Student Visa by updating your Visa information in the "Application Overview" screen on King's Apply. You can follow the online guide to determine whether you need a visa: https://rise.articulate.com/share/p_N3rNPKJz147dD0i_sUKvOZXkWq6Vi4#.

This offer does not guarantee your eligibility for a CAS or a Student Visa and it is your responsibility to ensure that you fulfil the criteria. Useful information regarding eligibility can be found on UKCISA's webpage: www.ukcisa.org.uk/Information--

[Advice/Visas-and-Immigration/Student-route-eligibility-and-requirements](#). **You should not travel to the UK until you have received a valid Student Visa for this programme.**

The communication for and issuing of your CAS will come from our Visa Compliance team via King's Apply. It is important that you provide all of the relevant information as requested to enable this process. If you have any queries or need to update your information, send a message using the "Visa Query (including CAS)" message category. If you are currently studying or have previously studied in the UK and haven't disclosed this in your application, you must inform us of this as soon as possible and provide scans of any previous visas related to this study.

Please read the "Offer Holder Information" webpage link for further information regarding the Student Visa process.

Criminal Record Disclosure

King's does not consider any previous criminal convictions or cautions during the academic assessment of your application. Where an enhanced Disclosure and Barring Service (DBS) check is not required to complete a programme of study, you are not obliged to inform the university of your criminal record. You are encouraged however to disclose your criminal record if you are subject to any licence conditions or monitoring restrictions that could affect your ability to successfully complete your studies. If you would like to discuss your criminal record for advice and guidance, you should send us a message via King's Apply in the first instance.

More information regarding the university's Criminal Record disclosure policy can be found here: <https://www.kcl.ac.uk/policyhub/criminal-record-disclosure-policy>.

You should be aware that other services at the university, such as King's Residences, may have different policies and procedures in place regarding criminal record disclosure and you will need to adhere to these when using these services.
