Criminal convictions

Important information

We know that choosing to pursue a postgraduate degree is a big step. To help you through the process, please visit our dedicated offer holder webpages at www.leeds.ac.uk/masters-offer. Here you will find lots of useful information, including details of accommodation, funding and support. You will also be able to chat online to our current students to find out more about life at the University of Leeds.

Course information

The University reviews its courses on a regular basis. For the latest information on your course, please see courses.leeds.ac.uk. The final details of your course modules, including methods of teaching and assessment and specific content, are due to be published on 1 May 2024 in the University's Module and Programme Catalogue at www.leeds.ac.uk/PGTprogramme-catalogue. Some of our courses are currently being refreshed as part of an innovative project that will enhance the education and experience we provide you with. If there are significant changes to your course following your acceptance of an offer of a place, we will be in further contact.

Paying your fees

If you are self-funding, you must either pay your fee in full before you register or pay 50% before you register and set up an instalment plan to pay the remaining balance. Please do not use third-party agents to transfer payments to the University of Leeds, as this can significantly increase your risk of being exposed to financial crime.

You may be asked to supply details of the source of your funds. We must do this (where relevant) as part of the controls implemented by the University to ensure compliance with financial sanctions and anti-money laundering regulations, and to ensure our bank will accept payments from you. This offer of study does not guarantee that we can accept your source of payment and failure to provide an acceptable source of payment may result in the withdrawal of this offer. During your studies and as part of the ongoing controls required to ensure compliance, we may require further information regarding the source of funds associated with payments. Failure to provide this information may affect your ongoing status as a student.

If you are receiving a Postgraduate Master's Loan from Student Finance England you can set up an alternative instalment plan of three payments by direct debit in line with your loan payments. This will only be available if we have received confirmation from Student Finance England that your Postgraduate Master's Loan has been approved, therefore you are encouraged to apply as early as possible at www.gov.uk/masters-loan/apply. The Postgraduate Master's Loan is available to help with course fees and living costs while you study and therefore may not cover your tuition fees in full. For more information about postgraduate loans and eligibility, please see www.gov.uk/masters-loan.

If you are from a Channel Island or the Isle of Man, you should seek guidance from your island education office.

If you are sponsored by a third-party organisation, you must provide an official sponsor letter before you register. Please visit www.leeds.ac.uk/sponsoredstudents for more information.

Further information on fees, student loans and payment arrangements can be found at www.leeds.ac.uk/mastersfees.

Scholarships

Postgraduate students at the University of Leeds benefit from a wide range of full and partial tuition fee scholarships and maintenance awards from the University and external organisations. Due to the diversity of awards available, our scholarship application forms are customised and the criteria for eligibility vary between schemes. For more information, please visit www.leeds.ac.uk/masters-funding.

Student visas

If you need a Student visa to study in the UK you will require a Confirmation of Acceptance for Studies (CAS) from the University. The earliest that a CAS can be issued is six months before the course start date and after you have met the conditions of your offer, supplied all the necessary information, such as your passport details, and paid a tuition fee deposit of £3,000, if applicable. You do not need to contact us to request a CAS. You must obtain your visa before travelling to the UK. We will only ask you to pay the deposit if you accept an unconditional offer via the application portal. More information about the deposit will be sent to you at that time. You should only pay if you are committed to attending for this year of entry.

If you are already in the UK and have a Student visa (previously known as Tier 4) for study at a different institution, and you meet the conditions of applying for a new Student visa in the UK, you will not be able to register or start your studies unless you can provide evidence that you have used your University of Leeds CAS to apply for a Student visa to study with us, before the course start date.

You should make your visa application as soon as you have the required supporting documents (academic and financial). This offer of study does not guarantee that the University will be able to sponsor you for a Student visa. For more information, please see www.leeds.ac.uk/studentvisa.

Membership and alumni

As a University of Leeds student, you will automatically become a member of the University. This membership usually continues beyond your time of study as you will join a community of more than 320,000 Leeds alumni, representing the University's lifetime commitment to you. You will have access to certain University services and a vast support network and will have opportunities to attend events and reunions, learn about volunteering and fundraising, stay connected and create new connections that can help your career.

Contract, withdrawal and disclaimer

This letter together with the student contract make up the agreement between you and the University. A copy of the student contract can be found at www.leeds.ac.uk/studentcontract.

You may cancel your agreement with the University and withdraw from your course, without reason, up to 14 days after the start date of your course (as stated on this letter) by emailing registration@leeds.ac.uk. You can also cancel this agreement and withdraw from the University if there is a material change to your course or fees that you do not agree to.

The University may terminate our agreement with you, not permit you to re-register next year and require you to withdraw from the University if you become unfit to study or otherwise fail to meet your commitments to the University, for example, by the non-payment of fees, inappropriate conduct or making unsatisfactory academic progress.

The University's disclaimer can be found within the student contract. We recommend you read the student contract as it includes more details on the above points, together with other important information concerning your rights and commitments.

Privacy notice

The University will process your personal data for the administration of your position as a student, including the use of University services, such as residential services, lecture capture, attendance monitoring, the Library and sports facilities. We will on limited occasions share your personal data with third parties, including the Higher Education Statistics Agency (HESA) and other relevant educational providers.
